## Central Coast Cycle: Norah Head to North Lakes and return

Leader: Colin Isaac

Date: 17<sup>th</sup> July 2019

Participants: Colin Isaac, James Mahoney, Robert Robinson, Lyn Falconer, Adrian Jones, Julie Jones, Trevor Giblin

### Report:

Perfect weather - not a cloud in the sky and a very light breeze. Perfect weather for a good day's riding.

We started with a climb through a section of bush and then rode parallel to the road to Budgewoi. From there the bike path followed the shoreline to Blue Haven and coffee at North Lakes Shopping Centre. On the return ride we stopped for fish and chips at Budgewoi. It was excellent and good value (always important on a Bush Club activity).

Refuelled, off we rode to the finish. All enjoyed the day.

### Walk description:
